103 students were involved in School-to-Work activities. Activities included cooperative learning at 29 different sites, shadowing local businesses, and participating in clinicals at various medical sites in the local area. BCCC also continues to provide School Based Enterprise opportunities for the school year, as well as additional shadowing opportunities for middle school students from the feeder schools.

71 students were inducted into the National Technical Honor Society. Students were involved in a variety of organizations, such as SkillsUSA, HOSA, DECA, FFA, and FCCLA. Seven students participated in the SkillsUSA competition in Greenville, SC, where one student qualified as one of the twelve finalists in the welding competition. 31 students attended the State HOSA convention in Charleston, where one of our students was elected State HOSA President, 3 won gold medals, 3 won silver medals, 3 won bronze medals, and 10 students finished in 4th-6th place. 8 students attended the National HOSA Convention in June. 2 students competed in the state FCCLA competition, where one student placed first place gold in the Career Investigation competition. Also, another student won first place in the Job Interview competition. One of these students competed in the National FCCLA competition in Chicago, IL.

The FFA chapter at BCCC continues to be involved in many community activities. The chapter sponsored another High School Rodeo event in the fall. Students attended numerous FFA events. Grants and awards amounting to \$4,700 were won by the FFA program. Students attended the National FFA Convention in Indianapolis.

BCCC had a total of 115 students from the three district high schools who completed training at the center. Of the 2009 Career and Technology completers eligible for placement, 97.4% were placed in secondary programs, the military, or gainful employment.
